

## ROMEAFAMILY CAMPING – PET REGULATION

The presence of pets must be reported at the time of booking or check-in. The only animal species allowed on the Campsite are dogs and cats.

Dogs and cats are in any case only allowed on the Campsite under the following mandatory conditions (should they not be respected, the Management will be entitled not to accept pets on the Campsite):

- ✓ Only one dog (or cat) is allowed per accommodation unit or pitch, on payment of the relevant daily rate (for pets staying in bungalows or mobile homes, only a flat rate applies as a final cleaning supplement). The Management reserves the right to allow or not their entry into the Campsite depending on their size or breed;
- ✓ Only dogs and cats owned by guests staying at the Campsite are permitted. Day visitors may not enter the Campsite with pets in tow;
- ✓ All dogs, regardless of their breed and size, must be kept on a leash at all times (maximum length 1.5 metres) and only and exclusively led by adults or people who can guarantee their correct handling;
- ✓ For medium and large breeds it's compulsory to always wear a muzzle;
- ✓ Pets must be registered with the Canine/Feline Registry Office, be provided with the appropriate health booklet and vaccination certificate, and have their own insurance cover;
- ✓ Dogs must absolutely be accompanied outside the Campsite to carry out their physiological needs of any kind. Otherwise, it is the owner's obligation to immediately pick up their droppings and clean up the area appropriately (in this regard, there are special bag dispensers at various points on the Campsite);
- ✓ Pets may not access the communal parts of the Campsite (toilets, play and entertainment areas, bar-restaurant, shop) or the beach in front of the Campsite; they may access the appropriate beaches identified by the municipal administration;
- ✓ They may not drink directly from fountains, taps or other water supply points, but only with the help of bowls or other personal containers;
- ✓ They must not cause any kind of disturbance or disruption to other guests or the Campsite staff
- ✓ They may not be left alone inside the accommodations;
- ✓ Any grooming or bathing must take place exclusively in the designated areas;
- ✓ The owners of the animals are totally and unilaterally responsible for any damage they may cause to persons and/or property.

At the Campsite Management's discretion, breeds or canine specimens considered potentially aggressive or dangerous (by way of example but not limited to: Molossoids, Dobermans, Dogo, Pit Bulls, Amstaff, Rottweilers, Huskies, American Bulldogs, Shepherd Dogs, Corso Dogs, etc.) are not allowed on the Campsite. The management reserves the right not to allow dogs on the Campsite for reasons of overcrowding or related to hygiene/health conditions.
